

# Growing together

“The seed fell into good ground and grew up increasing and yielding thirty, sixty and a hundred times as much” Mark 4:8

We strive to be that ‘good ground’ where our children can grow in knowledge, skills and wisdom, with hope, aspiration, dignity and respect. Our ambition is that they can thrive and contribute to their communities and live well together. We embrace the Church of England’s vision for education that all children will have “life in all its fullness” (John 10:10)

## The Aims of our School...
